Commander Bailey spoke on the purpose of the JISPB.

Commander Bailey spoke on the preparation of a JANIS emphasizing that it is to be prepared for purposes of strategy rather than tactics.

The priority list was discussed. Studies on the first three countries at the top of the left hand column on the priority list are to be started immediately.

These are to be numbered as E-BU, E-AL, and E-YU, respectively.

The relation of the responsible agencies was discussed. It was agreed that material on hand in all files is to be exchanged and always made available to responsible agencies as indicated on page 1 of the Outline Guide.

Lieutenant Col. Cutts suggested the preparation of a list of all persons who will contribute to the three JANIS volumes in preparation. Such a list will be prepared by the JISPB and circulated.

It was agreed that the heads present would meet on July 22 with the JISPB, the heads of the Regional Desks, and the Cartographic Sub-committee for determination of the deadlines and selection of maps.

Respectfully submitted,
